Arizona State Law requires that all dogs three months and older be licensed annually. (A.R.S. 11-1008)

Arizona State Law also requires that a dog must have received the anti-rabies vaccination prior to issuance of a license.

A.R.S. (11-1010)

For Answers to your Questions

Please call the Greenlee County Animal Control Office at 928-865-2072

Located at 826 South Coronado Boulevard, Clifton, Arizona

This program is made possible with spay / neuter funding received from the purchase of Arizona Pet-Friendly License Plates. Of the \$25 you pay for the specialty plate, \$17 is transferred to the spay/neuter fund which is allocated as grants to qualified entities. For more information visit www.azpetplates.org
