

INTRODUCING

ExpressPass®

Greenlee County is now offering an interactive Sample Ballot system that a registered voter can view online at any time giving a voter the freedom to research candidates and contests that will appear on their ballot before heading to the polls on Election Day.

ExpressPass will allow a voter the ability to mark their selections which can then be printed or saved to their mobile device to be used as a reference guide at the polling location making the voting experience quick and stress-free.

The ballot information that is provided online are SAMPLE BALLOTS. Actual casting of a ballot can only be done in person or by Early Ballot.
