Equine Herpes Virus Update

RE: Upcoming Greenlee County Jr. Rodeo Event – June 25th, 2011

The Greenlee Co Junior Rodeo is still scheduled to take place on June 25th.

I (Karla K. Ellis, Director) contacted Dr. Debbie Salazar with Desert Cross Veterinary Hospital concerning the “equine herpes virus” issue. Dr. Salazar stated that there are no concerns that would prevent the upcoming Rodeo Event from taking place as scheduled in this regard.

If you have any questions you may contact Dr. Salazar directly at (928) 348-0026 or myself at (928) 359-2032.

Thank you,

Karla Ellis
Greenlee County Fair & Racing Director
