

Greenlee County Online Food Handlers Training Information

The Greenlee County Health Department now provides the option for an online Food Handlers Training to obtain or to renew a food handler's card, valid in Greenlee County.

Below there is a link which will direct you to an online Food Handler Training accepted in Greenlee County. The link is as follows:

- This training will require a fee of \$10.
- Payment online will require a debit or credit card.
- The class is available in English or Spanish.

The certificate provided after successful completion of the course is sufficient to show proof the course is passed. If you would rather have a card than just the certificate, please bring the certificate and we will make a copy for our records, and issue you a card. There is no additional cost for a card.

Once the training is completed the certificate or card, is valid for three years from the date of completion.
